

HIGHER LEARNING BASKETBALL ELITE CAMP

WHY IS AN ELITE CAMP BETTER?

- Low player to coach ratio
- Coaches have played and/or coached in college or High School Varsity Coach
- All players will be experienced (travel, AAU or coach rec.). This allows us to move at a faster pace and teach more advanced concepts
- All players will receive a personal evaluation, which will include strengths and weaknesses, and how they can improve.

TEACHING POINTS:

- **CONDITIONING**: warmup/training
- **SHOOTING**: dissect shooting mechanics to ensure proper form
- **OFFENSE**: use of shot fake, and jab series, moving w/ out the ball. Using/ setting ball screens
- **DEFENSE**: On/off the ball techniques. Boxing out and defending ball screens.
- **FAST BREAK**: how to run properly, teaching running lanes and proper spacing
